The list at the bottom of this email contains state tests that were taken in the 11-12 year have been pushed down to all districts. You will only receive a push down if you had students take the test. Many districts had grade levels with no Alternate assessments. However, if a test is missing that you know should be there, please send an email to kdedatarequests@education.ky.gov and we will work with Infinite Campus to get those to you.

You can quickly check to see if you received these tests by Selecting Assessment Score Push Down in the Display of the Process Inbox.
